**Project Name:** Gateway Workforce Development Project  
**Recipient:** Gateway University Research Park  
**Recipient Address:** 2901 E. Lee Street

**Recipient City:** Greensboro  
**Recipient State:** NC  
**Recipient Zip:** 27401

**Amount of Request:** \$230,000

**Explanation of the request (must include purpose and why it is a valuable use of taxpayer funds):**

The new workforce development spaces in the South Campus of the Gateway University Research Park will enable people living in the 13th district and surrounding areas to attend training classes and courses in mathematics and science and gain hands on experience working with the tools and software currently being used by high-tech companies. The new workforce development spaces will also serve as instruction sites for a cooperative education program which will include Guilford Technical Community College and Forsyth Technical Community College students and will provide a needed resource in the region for workforce training and industry recruitment.
